

# NOW OFFERING!

The Allegheny County Health Department's  
Public Health Clinic is now offering  
**EMERGENCY ORAL CONTRACEPTION**  
to patients for **FREE**.

**Don't Wait!** Emergency contraception  
is most effective if taken within 3 days  
of unprotected sex.

## PLAN B (LEVONORGESTREL)

- Other generic versions of the same drug  
ARE also available at your local pharmacy,  
without a prescription.
